RE: Wastewater Certificate of Public Convenience and Necessity (CPCN) Abandonment for
Welsh Run – Orders 6767 & 7557

Dear Secretary:

This letter is to serve as official notice that Tidewater Environmental Services, Inc. (TESI) intends to abandon its wastewater CPCN, with all rights and obligations under current law, for the current or former tax parcel number 234-15.00-40.00, also known as Welsh Run. The order granting the CPCN was #6704 and was originally filed as Docket 05-WW-024. A subsequent CPCN order (#7557) was granted in May 2009 to correct a mapping error with the original CPCN application.

The current landowner of this parcel is Fernmoor Homes at Welsh Run, LLC (Fernmoor). Fernmoor supports this application for approval to remove parcel 234-15.00-40.00 from TESI's wastewater CPCN franchise area. TESI has not built any plant to provide wastewater service to the Welsh Run development. Construction has not started on the proposed development and therefore, no customers will be affected by the CPCN relinquishment. Fernmoor intends to seek wastewater service from another wastewater utility entity.

If you should require any additional information please feel free to contact me at (302) 734-7500.

Sincerely,

Gerard L. Esposito
President
